Get Involved!

Join the Sandwich Women's Club where we make a difference in the community every day.

You can help prepare a meal for the elderly, assist with the spring clean-up of our community outdoor space, or serve on one of our fundraising committees.

No matter what your skills or interests, there are lots of ways to get involved, develop new friendships and make a difference in the community.

Founded in 1970, the Sandwich Women's Club is a member of the General Federation of Women's Clubs- the largest International organization of volunteer women.

Join Us!

We are seeking new members who wish to join us in service, fun, and fellowship.

Our members include women of many ages who reside in Sandwich and the surrounding towns.

Each club woman is encouraged to attend meetings, work on at least one service project and one fundraiser each year.

Annual dues of \$30.00 help to defray the cost of monthly programs, newsletters and GFWC dues.

We'd love to meet you!

Contact one of our members to be a guest at our next meeting:

Meet Us!

Program meetings are held four times per year. The programs cover topics related to women's health, leisure, and education. These meetings are usually held the third Monday of the month at 7pm at the Dan'l Webster Inn, Sandwich.

All club business is conducted at Business Meetings, generally held on the first Monday of each month. These take place at a club member's home.

We strongly advise attending meetings, they are fun and informative.

The club also holds social events throughout the year such as concert nights, wine tastings, and holiday parties.

Our website is our primary means of communication, informing members of meetings, volunteer opportunities and club plans.
